

- Jazzy quirky guitars -

Thank you for downloading this guitar sample teaser pack.

All samples are original compositions written and recorded by Yuval Gerstein.

Gerstein uses a Gibson ES-175 (2000), Fender Stratocaster (1978), TC Electronic Nova System effects unit.

All samples are 88.2Khz 24Bit

Feel free to use these samples in your own music.

Please give credit to the author in any case of commercial use.

Enjoy!
